

MISCH IMPLANT INSTITUTE · LIVE HANDS-ON SURGICAL COURSE

Immediate Implants

Placement of Implants into Fresh Extraction Sockets

18 CE CREDITS

SCHEDULE

DAY 1 — IMMEDIATE PLACEMENT & SOFT TISSUE

01

Saturday

8:00 AM	Indications for Immediate Implant Placement
9:30 AM	Morning Break — 30 min
10:00 AM	Achieving Stability with Socket Shielding
11:00 AM	CBCT Treatment Planning for Immediates — 3DDX Case Presentations
12:00 PM	Lunch Break — 60 min
1:00 PM	Live Surgery (Pre-Recorded) — From Atraumatic Extraction to Provisionalization INTERACTIVE
2:00 PM	Innovative Palate-Free Soft Tissue Augmentation — Advances in Gingival Grafting
2:30 PM	Afternoon Break — 30 min
3:30 PM	Clinical Session HANDS-ON LAB Immediate implant placement + minimally invasive non-palatal tissue augmentation · 2.5 hrs
6:00 PM	End of Day 1 · Evening free

DAY 2 — PROSTHETICS & PROVISIONALIZATION

02

Sunday

8:00 AM	Clinical Surgical Aspects of Immediate Implant Placement INTERACTIVE
9:30 AM	Morning Break — 30 min
10:00 AM	Prosthodontic Considerations in Immediate Single Implant Placement
11:00 AM	Better Tissue Contours — Soft Tissue Graft, Provisional, or Healing Abutment?
12:00 PM	Lunch Break + Clinical Videos — 60 min
1:00 PM	Clinical Session HANDS-ON LAB Implant uncover & soft tissue grafting on immediate implants · 1 hr
2:00 PM	Single-Tooth Immediate Provisionalization & Custom Healing Abutments — Designs & Materials
2:30 PM	Afternoon Break — 30 min
3:00 PM	Clinical Session HANDS-ON LAB Immediate provisionalization & custom healing abutment workshop · 3 hrs
6:00 PM	Adjourn — Course Evaluation & CE Certificates 18 CE CREDITS

Immediate Implants

Dr. Jonathan Misch

DDS, MS · Periodontics & Implant Surgery

COURSE DIRECTOR

Periodontist and CEO of the Misch Implant Institute, carrying forward the teaching legacy his father, Dr. Carl Misch, began in 1984. University of Michigan-trained and 2024 Chairman of the Midwest Society of Periodontology, his award-winning research on prosthetic design and peri-implant bone loss anchors his evidence-based teaching.

Dr. Martinna Bertolini

DDS, MSc, PhD · Periodontics & Prosthodontics

MISCH EDUCATOR

Clinician-scientist and Assistant Professor of Periodontics at the University of Pittsburgh, dual-trained in prosthodontics and periodontics. A Diplomate of the American Board of Periodontology, her internationally recognized research on the oral microbiome and peri-implantitis placed her on the Stanford/Elsevier list of the top 2% of scientists worldwide.
